Capital Projects Advisory Review Board Policy Area: <i>Working Washington</i> www.des.wa.gov/about/Committees/CPARB/Pages/default.aspx				
The 2005 Legislature created the Capital Projects Advisory Review Board (CPARB) under ESHB 1830 (RCW 39.10) to review alternative public works contracting procedures and provide guidance to state policymakers on ways to further enhance the quality, efficiency and accountability of public works contracting methods. The capital projects advisory review board is directed to review current statutes regarding life-cycle cost analysis and energy efficiency as related to the design-build procurement method performed under chapter 39.10 RCW. Capital projects advisory review board shall report to the appropriate committees of the legislature by December 31, 2013, with recommendations for statutory changes that promote energy efficiency and reduce the total cost to construct, operate and maintain public buildings. Recommendation must include provisions for post occupancy validation of estimated energy efficiency measures, and operating and maintenance cost estimates. Life-cycle estimates of energy use must include estimates of energy consumptions for materials used in construction.

Tax Preferences, Citizen Commission for Performance Measurement ofPolicy Area: *Working Washington*www.citizentaxpref.wa.gov/

Develops schedules to review tax preferences, based on a ten year review schedule. Tax preference is defined as an exemption, exclusion, or deduction from the base of a state tax; a credit against a state tax; a deferral of a state tax; or a preferential state tax rate. The Commission also comments on the reviews which are conducted independently by JLARC (Joint Legislative Audit and Review Committee Staff). The Commission may exempt any preference it determines to be a "critical part of the structure of the tax system", and may further recommend an expedited review process for any tax preference.
